## Psychiatric Social Work Post-Master's Fellowship

### Application Checklist

1) Please submit these items through the Kennedy Krieger Human Resources webpage:

**Kennedy Krieger Institute employment application**

**Curriculum vitae or resume**

2) Visit **[KennedyKrieger.org/PsychiatricSocialWork](https://KennedyKrieger.org/PsychiatricSocialWork)** and select the fellowship application link. On the **fellowship application** employment form, the following items will need to be provided:

**Letters of recommendation:** Submit three letters of recommendation related to your potential to participate in the fellowship. At least one letter must be from a field instructor or clinical supervisor (former or current). Additional letters will not be reviewed.

**MSW transcript:** Include the most recent transcript—it does not need to be official or sealed, but it must be legible. Include a list of courses taken and/or training attended relevant to clinical work with children, youth and families or models of psychotherapy.

**Personal statement:** Submit a brief statement of interest (three pages maximum). Include your professional interests, your reasons for applying and how the fellowship relates to your long-term career goals. Include an explanation of your understanding of how diversity impacts clinical care in mental health settings.

**Clinical writing sample:** Submit a clinical writing sample that highlights your skills and application of knowledge. You may choose to write about any of the following: a clinical assessment, a case study (including treatment plans) or any relevant documentation displaying your clinical thinking. Please use de-identified patient information (three pages maximum).

Visit **[KennedyKrieger.org/PsychiatricSocialWork](https://KennedyKrieger.org/PsychiatricSocialWork)** or email **[SWFellowship@KennedyKrieger.org](mailto:SWFellowship@KennedyKrieger.org)** for additional information about the fellowship.
