

TAKE PART IN BRAIN RESEARCH!

ATTENTION: PARENTS OF CHILDREN AGES 8 TO 12:

We are recruiting children to participate in an MRI research study to learn if there are differences between the brain's structure and its function in children *with* and *without* ADHD.

- WHO:** CHILDREN WITH ADHD AND
TYPICALLY DEVELOPING CHILDREN
- WHAT:** 2 seven hour days of computer games, paper & pencil tasks, and a Magnetic Resonance Imaging (MRI) scan of the brain. IQ testing and report, and a picture of your child's brain!
- WHERE:** Kennedy Krieger Institute
- BENEFIT:** There are no significant risks or direct medical benefits for participating in this study.
- COMPENSATION:** \$100.00
- CONTACT:** Kristie Sweeney: 443-923-9254
