

NEURODIVERSITY

AT WORK

*Edlam Woldemariam*

# ABOUT ME

- Edlam Woldemariam
- Trainee
- Graduating senior at the University of Maryland, Baltimore County (UMBC).
- Major: Public Health on the pre-law track.
- Fun fact: I'm an author!

# RESPONSIBILITIES

With the Apricot platform, I:

- Log daily service notes
- Complete employment services schedules
- Swift Problem-Solving

# NEW SKILLS

Learning to work with individuals with disabilities was a new skill.

Strengthened organizational skills by balancing my internship with school & work.

Developing patience in difficult situations.

# TAKEAWAYS

---

## Workplace Culture

I learned how to interact in a new work environment.

## Supportive Team

Due to everyone's kindness, I learned that it's okay to lean on my team for help.

## Knowledge

I learned about the life-changing services Kennedy Krieger Institute offers

## Accountability

Feedback assisted me in holding myself & others accountable.
