MCHC/RISE-UP and MCH-LEARN 2018 MENTOR AGREEMENT

Thank you for agreeing to participate as a project preceptor/mentor for the MCHC/RISE-UP &/or MCH-LEARN Program (Baltimore City).

Your time and support are greatly appreciated!

More information on mentoring opportunities may be found by visiting the website: <https://www.kennedykrieger.org/training/programs/center-for-excellence-in-public-health-leadership/mentoring-opportunities>

Our funders request a signed Project Preceptor/Mentor Agreement that includes a project description, background information on years of experience, and area of focus from each of our project preceptor/mentors. Thank you in advance for providing this information.

DEFINITIONS:

Project Preceptor – A preceptor is an individual who provides direct oversight and supervision to scholar on their summer projects. A project preceptor is the content mentor who guides the scholar in research, clinical, or advocacy activities. A Project Preceptor is generally **not** involved in direct academic or career development. A preceptor may oversee one or multiple scholars.

Project Mentor-A mentor is an individual who is responsible for providing support, counseling, or encouragement related to academic, career, and professional development for the scholar **during** (and after) their assignment. Mentors may be asked to write letters of recommendation or work with scholars on publications and projects following their formal participation in Center for Excellence in Public Health Leadership programs.

Mentor Coach – A mentor coach serves as academic and professional development mentor who may not necessarily have expertise in science, clinical, or advocacy areas. The mentor meets **weekly** with the scholar, however the Mentor Coach does **not** supervise or offer a research, clinical, or advocacy project for the scholar. Mentor Coaches assist scholars in navigating their learning environment and developing the scholar's final presentation.

Project Preceptor/Mentor - A Project Preceptor/Mentor serves as BOTH Project Preceptor and Mentor.

Q25

Please note that the information collected in this survey has a dual purpose. First, information you provide via this survey is required by the funding agency for program evaluation. Second, information you provide will be used for research purposes (i.e., to test hypotheses about the effectiveness of program curricula and activities) after receiving your permission.

Participation in this research is voluntary. Your permission (or lack of permission) in this research will have no effect on your current or future relationship with the Center for Excellence in Public Health Leadership at Kennedy Krieger Institute. You may cancel your permission to use your information at anytime by contacting Dr. Harolyn Belcher (CenterforExcellenceNPH@kennedykrieger.org). Your cancellation will not affect information already collected. Only de-identified (or limited, e.g., including dates) data will be used in research publications. We will use the findings from this survey with other data, to evaluate and improve the program. This study has been reviewed and approved by the Johns Hopkins Medical Institutional Review Board [IRB00398423; Principal Investigator: Harolyn M.E. Belcher, MD, MHS]. If you have any questions regarding this survey study, please contact: Harolyn M.E. Belcher, MD, MHS Director, Center for Excellence in Public Health Leadership at Kennedy Krieger Institute 716 North Broadway Baltimore MD 21205 Office: (443) 923-5933 CenterforExcellenceNPH@kennedykrieger.org

Completing this Mentor Agreement Application does not guarantee that an undergraduate scholar will be matched with you on your proposed project. You will be notified as soon as possible regarding your mentor-scholar match. THANK YOU for your time and interest in mentoring!

I agree that the information provided in this survey can be used for research in aggregate and de-identified (or limited, e.g., dates may be used) format.

Q17

MENTOR/PRECEPTOR AGREEMENT

I agree to participate in the Maternal Child Health Careers/Research Initiatives for Student Enhancement Undergraduate Program (MCHC/RISE-UP) and/or Maternal Child Health-Leadership Education, Advocacy, Research Network (MCH-LEARN) as indicated above. I agree to provide a summer field experience for student(s) according to the Project Proposal attached. In addition, I have read through and understand the expectations in the Mentor Information Packet. I will attend or review the archived webinar which includes important information about mentoring in the MCHC/RISE-UP and MCH-LEARN programs

I understand that this initiative aims to encourage scholars to learn about public health, and work in healthcare and/or the public health sector.

Students are required to develop a poster and present the results of their summer project experience to their mentors and peers at the end of summer event.

By agreeing to participate with MCHC/RISE-UP and/or MCH-LEARN I will provide a learning experience for the scholars in the area of health care/public health and complete the Mid-Summer and a Final Evaluations found in the Mentor Information Packet.

More information on mentorship is available by visiting: <https://www.kennedykrieger.org/training/programs/center-for-excellence-in-public-health-leadership/mentoring-opportunities>
